

**COURSE SCHEDULE: Term 4 (27 Mar – 26 May, 2017) - Academic Year 2016-2017**

		WEEK 7																												Sat	Sun									
		May 15 Monday							May 16 Tuesday							May 17 Wed							May 18 Thursday							May 19 Friday										
		402	403	407	408	423	404	CEDL	402	403	407	408	423	404	421	CEDL	IGB	MSU	402	403	404	CEDL	402	403	407	408	423	404	CEDL	MSU	402	403	407	408	423	404	CEDL	422		
9.00 - 9:30	Carbon Nanomaterials														MIPT DDP: Scientific Seminar																									
9:30 - 10:00																																								
10.00 - 10:30																																								
10.30 - 11:00																																								
11.00 - 11:30																																								
11.30 - 12:00																																								
12.00 - 12:30																																								
12.30 - 1:00																																								
1.00 - 1:30																																								
1.30 - 2:00																																								
2.00 - 2:30																																								
2.30 - 3:00																																								
3.00 - 3:30																																								
3.30 - 4:00																																								
4.00 - 4:30																																								
4.30 - 5:00																																								
5.00 - 5:30																																								
5.30 - 6:00																																								
6.00 - 6:30																																								
6.30 - 7:00																																								
7.00 - 7:30																																								
7.30 - 8:00																																								

		WEEK 8																												Sat	Sun									
		May 22 Monday							May 23 Tuesday							May 24 Wed							May 25 Thursday							May 26 Friday										
		402	403	407	408	423	404	CEDL	402	403	407	408	423	404	421	CEDL	IGB	MSU	402	403	404	423	402	403	407	408	423	404	CEDL	MSU	402	403	407	408	423	404	CEDL			
9.00 - 9:30	Carbon Nanomaterials														MIPT DDP: Scientific Seminar																									
9:30 - 10:00																																								
10.00 - 10:30																																								
10.30 - 11:00																																								
11.00 - 11:30																																								
11.30 - 12:00																																								
12.00 - 12:30																																								
12.30 - 1:00																																								
1.00 - 1:30																																								
1.30 - 2:00																																								
2.00 - 2:30																																								
2.30 - 3:00																																								
3.00 - 3:30
