

## Energy Colloquium

# Skolkovo Nuclear Technology & Advanced Manufacturing Cluster: Priorities and Opportunities

**Dr. Alexander Fertman**

**Skolkovo Foundation**

**04 October 2016, 16:00**

**Skolkovo Innovation Center**

**Technopark, Building 3, Room 402**

### **ABSTRACT:**

I plan to present logic of technology priorities of Nuclear Technology & Advanced Manufacturing Cluster, describe Skolkovo opportunities and our current activity in startup acceleration. Also some examples of cooperation with industrial partners will be presented. But in the second and most important part of the seminar I hope to discuss the real steps for cooperation between Skoltech Center of Design, Manufacturing and Materials and Nuclear Technology & Advanced Manufacturing Cluster.

**Non-Skoltech attendees should request access to the building in advance by sending their passport details to [energy.colloquium@skoltech.ru](mailto:energy.colloquium@skoltech.ru)**

**Colloquium schedule and information on how to get to the colloquium can be found at <http://www.skoltech.ru/en/energy-colloquium/>**
