

**Delegation visit from the Shenzhen Aerospace Industry Technology Research
Institute
to Skolkovo Institute of Science and Technology**

*5-6 December 2019,
Skolkovo Institute of Science and Technology
Moscow, Bolshoy Boulevard 30, bld. 1*

5 December

	start	and	Name	Subject
1	10:00	11:15	Team of the Shenzhen Aerospace Industry Technology Research Institute	Presentation of the Shenzhen Aerospace Industry Technology Research Institute; Discussion
2	11:00	11:15	Coffee brake	
3	11:15	12:00	Team of the Shenzhen Aerospace Industry Technology Research Institute	
4	12:00	12:20	Alexey Ponomarev Vice President for Industrial Cooperation	About Skoltech, cooperation and technological transfer
5	12:20	12:40	Andrey Botnev Head of the Digital Laboratory Softline Group	Overview of AI/IoT technologies in Russia
6	12:40	13:20	Evgeny Burnaev Associate Professor Center for Computational and Data-Intensive Science and Engineering	Advanced Data Analytics in Science and Engineering; Discussion
7	13:20	14:20	Lunch	
8	14:20	14:50	Dmitry Lakontsev , NTI Center Director, Associate Professor of the Practice	NTI Center's key objective, 5G communication technology; Discussion
9	14:50	15:10	Petr Vorobe Assistant Professor Center for Energy Science and Technology	Presentation of the Center for Energy Science and Technology, research interests
10	15:10	15:30	Coffee brake	
11	15:30	16:00	Kursakov Sergey CEO Ltd Tesis	Overview of the Russian market
12	16:00	16:20	Transfer to campus on Nobel St. 3	
13	16:20	16:50	Federico Martin Ibanez , Assistant Professor Center for Energy Science and Technology	Smart grids and power electronics research activities
14	16:50	17:30	Laboratory tour (CES)	
15	17:30	20:00	Dinner	

6 December

	start	and	Name	Subject
1	10:00	10:20	Anton Ivanov Associate Professor, Director of the Space Center	Presentation of the Space Center, research interests
2	10:20	10:40	Dzmitry Tsetserukou Associate Professor Space Center	Presentation of the Intelligent Space Robotics and VR Laboratory
3	10:40	11:30	Laboratory tour (SC)
